## Binghatti Gardenia

Binghatti Gardenia is a modern residential development designed to blend contemporary architecture with thoughtful living. Located in one of Dubais most connected and sought-after neighborhoods, the project reflects Binghattis signature design language dynamic facades, bold geometric lines, and an elegant balance of form and function.

The building features a curated selection of studios, one-bedroom, and two-bedroom apartments, each crafted with high-quality finishes and practical layouts that maximize space and natural light. Large windows and private balconies offer serene views of the surrounding community, creating a welcoming retreat from the citys fast pace.

Residents can enjoy a variety of lifestyle amenities, including a well-equipped gym, swimming pool, landscaped leisure areas, and dedicated parking. The development is also strategically located within close proximity to schools, retail destinations, major highways, and public transport, making daily life convenient and connected.
